# Foreword from the Chairman of Brinsworth Parish Council

and a number of meetings, the recommended actions have been drawn up.

The Parish Council endorses the Parish Plan as an expression of the community's aspirations and acknowledges it as the framework for community action within the parish.

Everyone who reads this Brinsworth Parish Plan cannot fail to appreciate the time and effort a small group of people, who formed the Plan's Steering Committee, have taken to formulate and issue it. On behalf of my colleagues on the Council may I thank all those involved for the production of this document. Every household in Brinsworth received a very comprehensive questionnaire and from the analysis of the replies,

We will look to achieve as many of the recommended actions as possible but in order to be successful it is important that the Parish Council works closely with other voluntary groups and partner organisations. Progress and action will be notified in the parish newsletter and I look forward to being able to bring positive reports in the future.
